Genre	Title	Author	Description
Biographies & Memoirs	<a href="#">A Curious Man: The Strange and Brilliant Life of Robert "Believe It or Not!" Ripley</a>	Neal Thompson	A Curious Man is the marvelously compelling biography of Robert "Believe It or Not" Ripley, the enigmatic cartoonist turned globetrotting millionaire who won international fame by celebrating the world's strangest oddities, and whose outrageous showmanship taught us to believe in the unbelievable.
Biographies & Memoirs	<a href="#">Colonel Sanders and the American Dream</a>	Josh Ozersky	From a 1930s roadside café in Corbin, Kentucky, Harland Sanders launched a fried chicken business that now circles the globe, serving "finger lickin' good" chicken to more than twelve million people every day. But to get there, he had to give up control of his company and even his own image, becoming a mere symbol to people today who don't know that Colonel Sanders was a very real human being.
Biographies & Memoirs	<a href="#">First Ladies: The Saga of the Presidents' Wives</a>	Carl Sferrazza Anthony	In this previously untold story of a unique role and its evolving definitions, Carl Sferrazza Anthony has produced "an entirely new take on the first ladyship" and "an awesome work of scholarship" (Library Journal).
Biographies & Memoirs	<a href="#">Gifted Hands: The Ben Carson Story</a>	Ben Carson, M.D.	In 1987, Dr. Benjamin Carson gained worldwide recognition for his part in the first successful separation of Siamese twins joined at the back of the head. Carson pioneered again in a rare procedure known as a hemispherectomy, giving children without hope a second chance at life through a daring operation in which he literally removes one half of their brain. Such breakthroughs aren't unusual for Ben Carson. He's been beating the odds since he was a child. Raised in inner-city Detroit by a mother with a third grade education, Ben lacked motivation. He had terrible grades. And a pathological temper threatened to put him in jail. But Sonya Carson convinced her son he could make something of his life, even though everything around him said otherwise.
Biographies & Memoirs	<a href="#">It's My Pleasure: The Impact of Extraordinary Talent and a Compelling Culture</a>	Dee Ann Turner	Businesses are built by growing relationships with customers. Culture is created by the stories those relationships tell. Two of the most important differentiators of a business are its talent and its culture.
Biographies & Memoirs	<a href="#">James Buchanan: The American Presidents Series: The 15th President, 1857-1861</a>	Jean H. Baker	Historian Jean H. Baker explains that we have rightly placed Buchanan at the end of the presidential rankings, but his poor presidency should not be an excuse to forget him. To study Buchanan is to consider the implications of weak leadership in a time of national crisis.

### Biographies & Memoirs

[Life Jacket: A Memoir of a  
Float Camp Teacher](#)

Biz Robbins

What else could she say? When Biz Robbins's husband of three years said, "I'm moving to Alaska. Do you want to come with me?" she hesitated only briefly and then answered yes.

### Biographies & Memoirs

[M Train](#)

Patti Smith

M Train begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, and across a landscape of creative aspirations and inspirations, we travel to Frida Kahlo's Casa Azul in Mexico; to a meeting of an Arctic explorer's society in Berlin; to a ramshackle seaside bungalow in New York's Far Rockaway that Smith acquires just before Hurricane Sandy hits; and to the graves of Genet, Plath, Rimbaud, and Mishima.

### Biographies & Memoirs

[Polk: The Man Who  
Transformed the  
Presidency and America](#)

Walter R.  
Borneman

In Polk, Walter R. Borneman gives us the first complete and authoritative biography of a president often overshadowed in image but seldom outdone in accomplishment. James K. Polk occupied the White House for only four years, from 1845 to 1849, but he plotted and attained a formidable agenda: He fought for and won tariff reductions, reestablished an independent Treasury, and, most notably, brought Texas into the Union, bluffed Great Britain out of the lion's share of Oregon, and wrested California and much of the Southwest from Mexico.

### Biographies & Memoirs

[Rosemary: The Hidden  
Kennedy Daughter](#)

Kate Clifford  
Larson

Joe and Rose Kennedy's strikingly beautiful daughter Rosemary attended exclusive schools, was presented as a debutante to the Queen of England, and traveled the world with her high-spirited sisters. And yet, Rosemary was intellectually disabled — a secret fiercely guarded by her powerful and glamorous family.

### Biographies & Memoirs

[The Boy on the Wooden  
Box: How the Impossible  
Became Possible . . . on  
Schindler's List](#)

Leon Leyson

Leon Leyson was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance, and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler, who saved Leon Leyson's life.

Biographies & Memoirs	<a href="#">The Great Escape</a>	Paul Brickhill	They were American and British air force officers in a German prison camp. With only their bare hands and the crudest of homemade tools, they sank shafts, forged passports, faked weapons, and tailored German uniforms and civilian clothes. They developed a fantastic security system to protect themselves from German surveillance. It was a split-second operation as delicate and as deadly as a time bomb. It demanded the concentrated devotion and vigilance of more than six hundred men—every one of them, every minute, every hour, every day and night for more than a year.
Biographies & Memoirs	<a href="#">The Wright Brothers</a>	David McCullough	Who were these men and how was it that they achieved what they did? David McCullough, two-time winner of the Pulitzer Prize, tells the surprising, profoundly American story of Wilbur and Orville Wright.
Business	<a href="#">Bankable Leadership: Happy People, Bottom-Line Results, and the Power to Deliver Both</a>	Dr. Tasha Eurich	As a leader, you've likely felt this fundamental tension—the tension between driving results and developing positive relationships with your people. Despite all the research telling us that effective leaders do both, most of us struggle to balance the happiness of our teams and the health of the bottom line.
Business	<a href="#">Bold: How to Go Big, Create Wealth and Impact the World</a>	Peter Diamondis	<i>Bold</i> is both a manifesto and a manual. It is today's exponential entrepreneur's go-to resource on the use of emerging technologies, thinking at scale, and the awesome power of crowd-powered tools.
Business	<a href="#">Brand Famous: How to Get Everyone Talking About Your Business</a>	Linzi Boyd	Don't let your business fade into the background. It's time to STAND OUT and get seen! There are so many brands out there – in all sectors – you need yours to shine above the competition. It's time to take your brand to the next level.
Business	<a href="#">Brandwashed: Tricks Companies Use to Manipulate our Minds and Persuade Us to Buy</a>	Martin Lindstrom	Marketing visionary Martin Lindstrom has been on the front lines of the branding wars for over twenty years. Here, he turns the spotlight on his own industry, drawing on all he has witnessed behind closed doors, exposing for the first time the full extent of the psychological tricks and traps that companies devise to win our hard-earned dollars.
Business	<a href="#">Breaking the Fear Barrier</a>	Tom Rieger	How Fear Destroys Companies From the Inside Out and What to Do About It.
Business	<a href="#">Die Empty: Unleash Your Best Work Every Day</a>	Todd Henry	<i>Die Empty</i> is a tool for people who aren't willing to put off their most important work for another day. Todd Henry explains the forces that lead to stagnation and introduces practices that will keep you on a true and steady course.

Business	<a href="#">Elon Musk: Tesla, SpaceX and The Quest for a Fantastic Future</a>	Ashlee Vance	Ashlee Vance provides the first inside look into the extraordinary life and times of Silicon Valley's most audacious entrepreneur. Written with exclusive access to Musk, his family and friends, the book traces the entrepreneur's journey from a rough upbringing in South Africa to the pinnacle of the global business world.
Business	<a href="#">Endless Encores: Repeating Success through People, Products, and Profits</a>	Ken Goldstein	As difficult as it is to have your first big success, most people find it exponentially harder to <i>repeat</i> success. So many of us, after "bringing the crowd to its feet," worry that we're going to get booed off the stage with our next venture. Is there a way to avoid this, to have multiple hits and "endless encores?"
Business	<a href="#">Essentialism: The Disciplined Pursuit of Less</a>	Greg McKeown	The Way of the Essentialist isn't about getting more done in less time. It's about getting <i>only the right things</i> done. It is not a time management strategy, or a productivity technique. It is a <i>systematic discipline</i> for discerning what is absolutely essential, then eliminating everything that is not, so we can make the highest possible contribution towards the things that really matter.
Business	<a href="#">Extreme Ownership: How U.S. Navy Seals Lead and Win</a>	Jocko Williams	Detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, <i>Extreme Ownership</i> shows how to apply them to any team or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment.
Business	<a href="#">Finding the Next Steve Jobs: How to Find, Keep and Nurture Talent</a>	Nolan Bushnell and Gene Stone	The business world is changing faster than ever, and every day your company faces new complications and difficulties. The only way to resolve these issues is to have a staff of wildly creative people who live as much in the future as the present, who thrive on being different, and whose ideas will guarantee that your company will prosper when other companies fail.
Business	<a href="#">Getting Beyond Better: How Social Entrepreneurship Works</a>	Roger Martin and Sally Osberg	<i>Getting Beyond Better</i> sets forth a bold new framework, demonstrating how and why meaningful change actually happens in the world and providing concrete lessons and a practical model for businesses, policymakers, civil society organizations, and individuals who seek to transform our world for good.
Business	<a href="#">Hiring for Attitude</a>	Mark Murphy	A Revolutionary Approach to Recruiting and Selecting People with Both Tremendous Skills and Superb Attitude

Business	<a href="#">Hooked: How to Build Habit-Forming Products</a>	Nir Eyal	Why do some products capture widespread attention while others flop? What makes us engage with certain products out of sheer habit? Is there a pattern underlying how technologies hook us?
Business	<a href="#">How to Fail at Almost Everything and Still Win Big: Kind of the Story of My Life</a>	Scott Adams	Scott Adams has likely failed at more things than anyone you've ever met, including his corporate career, his inventions, his investments, and two restaurants. So how did he go from hapless office worker to the creator of Dilbert, one of the world's most famous syndicated comic strips, in just a few years?
Business	<a href="#">Just Listen: Discover the Secret to Getting Through to Absolutely Anyone</a>	Mark Goulston M.D.	Do you ever feel like you're talking to a brick wall? The first step in persuading anyone to do anything is getting them to hear you out. But whether the person is a cynical colleague, furious customer, or overwhelmed spouse, their emotional barriers may be blocking your message. And if you can't break through, you can't move forward. Just Listen has helped tens of thousands of people tear down walls and establish productive communication.
Business	<a href="#">Lead From the Heart</a>	Mark C. Crowley	Our common belief in business is that the heart has no place in workplace management. In fact, most of us were taught that the heart acts like Kryptonite in leadership: it inherently undermines a manager's effectiveness - and lowers productivity and profitability. In this stunning and groundbreaking work, however, leadership and engagement expert, Mark C. Crowley, provides irrefutable proof that we were wrong.
Business	<a href="#">Likeable Business</a>	Dave Kerpen	Why Today's Consumers Demand More and How Leaders Can Deliver.
Business	<a href="#">MONEY Master the Game: 7 Simple Steps to Financial Freedom</a>	Tony Robbins	Based on extensive research and one-on-one interviews with more than 50 of the most legendary financial experts in the world—from Carl Icahn and Warren Buffett, to Ray Dalio and Steve Forbes—Tony Robbins has created a simple 7-step blueprint that anyone can use for financial freedom.
Business	<a href="#">One Second Ahead: Enhance Your Performance at Work With Mindfulness</a>	Rasmus Hougaard, Jacqueline Carter, Gillian Coutts	The authors propose that we need to learn to work differently so we are more focused, calm and have less clutter in our mind so we can better manage our time and attention. What if we could hit the 'pause' button on our day, step back, and meet challenges with a sense of clarity and purpose? And what if there was a way not just of 'getting things done,' but ensuring that what does get done are the right things to do?

Business	<a href="#">Performance Breakthrough: The Four Secretes of Passionate Organizations Second Edition</a>	Mike Goldman	Gallup Organization research has concluded that only 29 percent of employees are truly engaged in the work they do. That's like an engine running at less than one-third of its power! How can a team reach its potential, or even come anywhere close, with that level of engagement? Now imagine the impact of injecting more passion into your team. Imagine a company where eight out of ten people are truly engaged. What would this mean to your team's productivity, morale, retention, and ability to recruit top talent?
Business	<a href="#">Pitch Perfect: How to Say It Right the First Time Every Time</a>	Bill McGowan	Saying the right thing the right way can make the difference between sealing the deal or losing the account, getting a promotion, or getting a pink slip. It's essential to be pitch perfect—to get the right message across to the right person at the right time. In <i>Pitch Perfect</i> , Bill McGowan shows you how to craft the right message and deliver it using the right language—both verbal and nonverbal.
Business	<a href="#">Referral Engine: Teaching Your Business to Market Itself</a>	John Jantsch	Most business owners believe that whether customers refer them is entirely out of their hands. But science shows that people can't help recommending products and services to their friends-it's an instinct wired deep in the brain. And smart businesses can tap into that hardwired desire.
Business	<a href="#">Rise of the Robots: Technology and the Threat of a Jobless Future</a>	Martin Ford	<i>Rise of the Robots</i> is essential reading for anyone who wants to understand what accelerating technology means for their own economic prospects—not to mention those of their children—as well as for society as a whole.
Business	<a href="#">Saving Capitalism: For the Many, Not the Few</a>	Robert B. Reich	A myth-shattering breakdown of how the economic system that helped make America so strong is now failing us, and what it will take to fix it.
Business	<a href="#">Scaling Up - How a Few Companies Make It and Why the Rest Don't (Rockefeller Habits 2.0)</a>	Verne Harnish	This book is written so everyone -- from frontline employees to senior executives -- can get aligned in contributing to the growth of a firm. There's no reason to do it alone, yet many top leaders feel like they are the ones dragging the rest of the organization up the S-curve of growth. The goal of this book is to help you turn what feels like an anchor into wind at your back -- creating a company where the team is engaged; the customers are doing your marketing; and everyone is making money.
